## Start Something...

Proceeds support Big Brothers Big Sisters of the Capital Region (BBBS) by providing professionally supported mentoring services to youth.

BBBS celebrates over 30 years of positively impacting youth in our community. Annually, 700 - 1,000 children are served by BBBS.

As important as the number of youth served, are the results of our mentoring programs:

- 47% are less likely to use drugs,
- 52% are less likely to skip school
- 33% are less likely to resort to violence than their peers who are not involved in our program.
