

OVER THE EDGE

TOSS YOUR TEACHER \$1,500

Options are unlimited!

- Students collect donations and vote with their donations for which teacher to send (collection cans with a teacher's image).
- Give the students a unique incentive: If they raise an additional \$XXX above the \$1,500, then the Principal will rappel instead of a teacher.
- Select a school-wide fundraiser such as dress down days, sub sales or bake sales.
- Make it a Match: Have students raise \$750+ with the school matching dollar for dollar, reaching (or exceeding) the goal.
- Focus on health and wellness fundraisers such as walks, field days, fitness competitions (\$\$ collected for every sit up/push up).
- Students could provide their ideas for raising the funds.

OVER THE EDGE - October 13th at 17 North 2nd Street, Harrisburg.

Your nominated teacher will be announced as they rappel from the roof of the Market Square Plaza building in downtown Harrisburg. The Emcee will read a bio about your teacher and the impact the students are making for kids in the Big Brothers Big Sisters program. If your school has a cheering squad (or wants to put one together for the day) they can arrive at the event to send their voices 18 stories into the sky to encourage their teacher. Bring along a school banner or your mascot. Once a commitment is received, your school will be recognized on our Over the Edge fundraising website. Your school will also be recognized in one of our newsletters, sent to 10,000+ individuals.
