The “Be You” DEI Youth Summit (Diversity, Equity & Inclusion)

Presented by

GIANT.

Big Brothers Big Sisters of the Capital Region (BBBSCR) invites you to fund the area’s first DEI (Diversity, Equity & Inclusion) Youth Empowerment Summit.

Your support will host over 100 youth at our inaugural all-day summit on October 10, 2023, and bring together students from across our five-county service area (Cumberland, Dauphin, Lancaster, Lebanon & Perry). Students will hear from DEI guest speakers, engage in open conversations, and create empowering action plans to sustain and evolve with their mentors well beyond the summit.

Our DEI Youth Summit is built on the values of belonging, inclusivity, and genuineness. We strive to create a space where all young individuals feel a sense of belonging, where diversity is celebrated, and where genuine connections are fostered. Together, we empower the next generation to drive positive change and build a more equitable world.
