2nd Annual Youth Leadership Summit

INVEST IN THE FUTURE

Your support will host over 100 youth at our 2nd annual all-day summit on **November 13, 2024**, and bring together students from across our five-county service area (Cumberland, Dauphin, Lancaster, Lebanon & Perry).

Students will hear from community leaders and guest speakers, engage in open conversations, and create empowering action plans to sustain and evolve with their mentors well beyond the summit.

Our Youth Leadership Summit is built on the values of belonging, inclusivity, and genuineness.

We strive to create a space where all young individuals feel a sense of belonging, where diversity is celebrated, and where genuine connections are fostered.

Together, we empower the next generation to drive positive change and build a more equitable world.
